

My name is Bronwyn Pilato and I'm thirteen years old. This winter I was fortunate enough to receive a Lendon Gray scholarship from D4K to continue my education by taking more lessons with my trainer. Thanks to this scholarship I have been able to receive more lessons at my barn, Blue Ribbon Farm & Academy with the best instructor, Lisa Herman. I recently started riding one of Lisa's schoolmasters, Exodus. Although she is twenty-five years old, she is very feisty and young at heart. Exodus has so much to teach me and through these lessons I'm really learning to understand bend, straightness, getting round, and sitting better at the canter. These lessons have really helped me kick it up a notch to compete at training level for my first rated show season and I can't wait for what the future holds. Thank you so much Dressage4kids for this opportunity!
