

Dear D4K,

Thank you so much for the scholarship that went to working with my trainer Marie Milliman. I have learned so much and I wouldn't have been able to do these lessons without D4K.

I learned how to do my Position and other cool stuff. She taught me how to use my hands and put my legs where they were supposed to be. MY trainer also taught me how to correct my horse. And that was what I learned in this lesson. I also looked at this chart that went over my position better.

In one of my lessons I learned a few tricks to lunging my horse. It was different but it helped keep my horse balanced so that we can start the lesson off balanced.

I love my trainer. We work really hard to make me and my horse better. I have also learned how to circle correctly by using my inside leg and outside rein and I also learned to lean more to the outside to help with my circle. I have a habit of leaning too much to the inside and that doesn't help my circle.

Again thanks so much for the lesson scholarship!!!! It has helped so so much.
