

Together we create opportunities...

Thanks to you, young riders across the country are able to further their dressage education, which in turn strengthens the foundation of dressage and a love of horses.

As a leader in the sport of dressage, Dressage4Kids provides educational and competitive opportunities for youth riders and the adults who support them. Contributions to Dressage4Kids fund our educational programs, training, and scholarship awards, thereby deepening the understanding of and love for dressage.

Your contributions ensure the continued success of our programs that support the development of our talented youth to become the international riders, teachers, and trainers of the future.

On behalf of the numerous dressage riders who have enjoyed our events over the past 22 years, thank you for joining us in our efforts to offer quality programs in the sport of dressage.

Sincerely,
Lendon Gray
