Covid19 protocols will follow local and state guidelines and will be announced to competitors closer to the event.

Welfare of the Horse: Riders (and trainers) are responsible for ensuring that their horses are sound and fit enough for competition. It is at the discretion of the judges to excuse a horse if they feel the horse is not sound or is struggling.

Who May Compete:

Age (through age 25): The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 25 years old in 2023, the rider is eligible, but if the rider becomes 26 years old in 2023, the rider is not. If the rider turns 12 anytime in the year 2023, the rider is considered to be 12 for the show.

Qualifying Score: Rider needs one score of 57% or higher from any USEF or FEI dressage test of the level or a higher level from June 1, 2022 to July 17, 2023. Note: Division AA riders need one score of 57% or higher at USDF Introductory Test C or any test at Training Level. Scores from equivalent USEF dressage tests for eventing are acceptable. Previous YDF competitors are automatically eligible at the same level or lower. Riders 14 and under who have previously competed in the LYDF First Level Division are automatically eligible to enter the FEI Children's Division. The score may be received from any occasion (including schooling shows, events, and Pony Club competitions) where the judge is a USDF 'L' graduate, USEF or FEI Dressage judge. Rider must submit a copy of the front page only of the test with Entry Form. A qualifying score is not needed for the Leadline Class.

If a rider is trying to achieve a qualifying score on the last weekend, July 15-16, rider must send their entry by the July 17th closing date and then fax the front page of the test showing the qualifying score to the Entry Secretary by July 17, 2023. If rider does not achieve a qualifying score, rider must contact the Entry Secretary by July 17, 2023 and entry fees will be returned minus a \$10 office fee. A rider who has not achieved a qualifying score and does not notify the Entry Secretary by July 17, 2023 will be removed from the show without a refund.

Rider may compete on a different horse from the one on which the qualifying score was received. A rider may either: 1) enter two consecutive Divisions with the same horse, or 2) enter two Divisions on two different horses at the same level or different levels. The qualifying score must be obtained at the higher level of the two Divisions chosen. A rider, with the exception to those entering the Walk/Trot or AA Introductory C Divisions, can enter a maximum of two Divisions (levels). A rider in the Walk/Trot or AA Introductory C Division can only enter one Division. A rider who has previously won a Division may not compete again on the same horse in that Division, with the exception of the Walk/Trot Division and the FEI Divisions.

Horses: Please show concern for your horse and be aware of the amount of work in high heat. Management reserves the right to limit the number of classes a horse enters.

Divisions:

The Divisions are the heart of the Youth Dressage Festival. Each Division consists of three Sections: Written Test (Thursday evening) and Dressage/Equitation Class (Friday). Each Section is worth 100 points for a total of 300 points. Total points from the three sections determine placings. Ties are broken by using the Equitation score, then Dressage Test score and, if needed, the Written.

For example, for Division #11, the rider will take a written test for their age group and ride in a dressage test class for their Division where they will receive a score for the Dressage Test from the judge at C and an equitation score from an equitation judge at another position. A rider entering one of the FEI Divisions rides the Team dressage test of that level with exception to the FEI U25 level which has only one test.

Reminder: A specific age will no longer be split across Divisions in order to make the Divisions similar in size. For this reason the numbers of riders in each Division may vary.

Dressage Test Section:

Rules:

Competitor's Volunteer Requirement: All competitors MUST volunteer for at least 1 hour during the show. Once you have arrived and have your horse stabled, get your packet from the Show Secretary, check your ride times, and then go to the Volunteer Booth for your assignment(s). Competitors need to know their ride times and warm up requirements before coming to the volunteer booth to sign up for their volunteer hour. Parents may accompany the competitor but may not sign up for them.

Attire: Riders may wear traditional show attire. Informal attire (short or long-sleeved polo shirts; no tee-shirts) also is acceptable in the performance arena in place of traditional show attire. Teams may want to have matching shirts. All riders must wear proper attire when mounted. ASTM/SEI-approved helmets are required for ALL riders when mounted, including FEI levels. Helmets will also be required for all Handler Class entries and those handling the demo horses for the Sport Horse Conformation Class. The wearing of an improper helmet is grounds for disqualification. Whips and blunt spurs are allowed. Judges may deduct up to two points for messy attire in the performance arena. Award recipients must be in neat competition attire (unmounted) to receive their Division awards.

Bridle Numbers: Horses must wear a bridle number at all times when out of the stall.

Tack and Bits must follow USEF dressage rules. Bits used in competition must be the same bits used in the warm-up immediately preceding the competition. Draw reins are not permitted at any time on the show grounds. Horse boots and/or polos are allowed in warm-up areas. The Show Management reserves the right to inspect any rider and their equipment at any time for compliance with the show rules. Non-compliance will be grounds for disqualification.

Schooling is permitted only when the Show Office is open. Please refer to the Tentative Schedule on the next page. Trainers may school competitor horses on Wednesday and Thursday only and must sign a Release at the Show Office prior to riding. Any violation to this rule may result in the disqualification of the competitor.

No coaching is allowed any time while the rider is competing. Any rider receiving coaching while in the competition ring will be disqualified whether the rider requested such assistance or not. Any visual or verbal communication with the rider is considered coaching.

Readers are not permitted for the Dressage/Equitation class.

Ring stewards are not there to assist the riders with their times or after whom they ride. The riders need to know in what ring they ride, their times, and the numbers of the riders ahead of them. Do not ask the stewards.

An adult must supervise all young children at all times.

Parking Five points may be taken off the final score of any rider whose vehicle is parked in illegal parking areas. Two-horse trailers will be allowed 15 minutes to unload; larger vehicles will be allowed one-half hour to unload. After these times, all vehicles will have to be moved to parking areas. All trailers must be parked in the Campground area. Parking permitted on one side of the barn ONLY.

Golf carts or any motorized vehicle (i.e. scooters) brought to the show may be operated only by licensed drivers.

Dogs must be leashed and kept quiet in stabling and riding areas.

Infractions of any rules may be cause for elimination or up to a 5-point penalty at the discretion of management.
