

Dear Lendon Gray,

Thank you for the scholarship at Hampton Green in 2023. I learned a lot. Roma is staying a lot more round and giving in to the bit well, She is starting to respond better with my legs and you have helped with that a lot. Also, the lectures were interesting on how other things can help a horse stay healthy. I found that lecture interesting. I also learned that you can take iodine and epsom salt and pack a hoof with that to help with abscess. One more thing I wanted to add is that I have met so many wonderful friends through this clinic and I can't wait to ride with them again. Thank you again for everything, every time I learned so much and really enjoyed the lessons. Sorry once again I had thought the letter was sent. it must not have my apologies.

Viviana Selner
