

Thank you for my scholarship for the clinic at Rancho Santa Fe on June 28, 2024. I had a lot of fun. I loved being at my grandpas farm doing this clinic. I learned a lot from my lesson with Lendon gray. I learned how to do a turn on the for hand. My horse was not the best at it but I think if we practice we will get it. I also worked on my balance on how to switch my whip the correct way. I'm so happy I was able to ride my horse Lindo in this clinic. He is the best. Thank you again for my scholarship.
