Welfare of the Horse Riders (and trainers) are responsible for ensuring that their horses are sound and fit enough for competition. It is at the discretion of the judges to excuse a horse if they feel the horse is not sound or is struggling. Riders and trainers are responsible for ensuring the welfare of the horse throughout this event. Stable management will be inspecting stalls to ensure that they are clean and there is ample clean water, and that horses are comfortable.

Who May Compete

Age (through age 25): The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 25 years old in 2025, the rider is eligible, but if the rider becomes 26 years old in 2025, the rider is not. If the rider turns 12 anytime in the year 2025, the rider is considered to be 12 for the show. Riders ages 26 and older are eligible for the Alumni Division only (see the Divisions section for more information).

Qualifying Score: **There is no qualifying score requirement for this year!** D4K wants this to be a fun and low pressure environment for both horse and rider. Your horse should be comfortable staying overnight in a show environment and the rider should feel confident in their ability to ride their horse in a large show environment

Rider A rider may enter: 1) one Division, 2) two consecutive Divisions with the same horse, or 3) two Divisions on two different horses (consecutive Divisions or not), or 4) one Division with 2 different horses. A rider, with the exception to those entering the Walk/Trot or AA Introductory C Divisions, can enter a maximum of two Divisions (levels). A rider in the Walk/Trot or AA Introductory C Division can only enter one Division. A rider who has previously won a Division may not compete again on the same horse in that Division, with the exception of the Walk/Trot Division and the FEI Divisions. Riders are also encouraged to enter optional classes.

Horses: Please show concern for your horse and be aware of the amount of work in high heat. Management reserves the right to limit the number of classes a horse enters.

Divisions

The Divisions are the heart of the Youth Dressage Festival. Each Division consists of three Sections: Written Test (Friday late afternoon) and Dressage/Equitation Class (Saturday). Each Section is worth 100 points for a total of 300 points. Total points from the three sections determine placings. Ties are broken by using the Equitation score, then Dressage Test score and, if needed, the Written. Rider must complete all 3 Sections to be eligible for Division Awards.

Divisions (continued)

For example, for Division #11, the rider will have a written test in their age group, ride in a group equitation class with other riders of their Division, and ride the First Level Test 2 dressage test. A rider entering one of the FEI Divisions rides the Team dressage test of that level. Classes and Divisions may be split or combined at management's discretion.

Reminder: Because Divisions are split by level and age group, the number of riders in a Division may vary.

Extra movements are not requested except where the judge feels the need for added input from the rider. The rider's position and seat will be judged along with the correct use and effect of the aids. The rider's position will be judged as it relates to the horse's balance, i.e., a rider with a classical hunt seat position would be acceptable at Training Level but not at Third Level.

Riders competing in two Divisions will ride BOTH equitation classes. Equitation classes may be split or combined at management's discretion. A rider/horse combination competing in a double bridle may also choose to compete in a double bridle in their equitation class.

Optional Classes

Entries will be limited – send your entries as early as possible. Entries for oversubscribed classes will be accepted in order of receipt.

Kross Creek Farm Team Competition

Teams are made up of three or four riders of any levels including the Walk/Trot Division. Highest three Division scores count. This is not a separate ride. A rider may be on only one team. If the rider has entered 2 Divisions, the scores are used from the rider's higher Division. A rider who enters 2 horses in the same Division must declare in advance which horse they want to be considered for the team score. If they do not declare by 4p.m. Friday, we will use the score from the horse who name comes first alphabetically.

[Team members and team name must be declared on Entry](#) or to the Show Secretary no later than 4 p.m. Friday, August 8th. Riders who would like to be on a team but do not have a team designated may check the "Wanna Be on a Team" box on their entry. "Wanna Be on a Team" riders will be randomly combined to form team(s). "Wanna Be on a Team" riders can check the Team Roster posted outside of the Show Office and submit any changes no later than 4 p.m. on Friday. Note: Your "Team Name" does not need to be the same as your "Stabling Group". Stabling Group is used to designate who you want to stable together. The Team Name is the name you want to use for the Team Competition. Riders entering the Alumni Division may only form teams with other alumni riders.

Schooling Show (Friday)

Riders will compute their own final score – awards by percentage. A volunteer will be present to help you score your test. Tests may be picked up at the Ribbons and Awards Table. TOC Pony Class Results will determine the National Dressage Pony Cup Awards (see Awards Section for details). Readers are not permitted.
