## **Dressage4Kids Welcomes Fritz and Claudine Kundrun as the 2026 Presenting Sponsors of the Kundrun TEAM Program**

Dressage4Kids is proud to announce the support of Fritz and Claudine Kundrun as the 2026 Presenting Sponsors of the Kundrun TEAM (Training, Education And Mentoring) Program. Their generous commitment helps provide meaningful opportunities for young riders of all levels, from those just beginning through the FEI levels.

The Kundrun TEAM Program is designed to encourage riders age 25 and under to become the very best they can be – in the dressage arena and beyond. A hallmark of the Kundrun TEAM Program is its emphasis on building a strong foundation and welcoming riders at the start of their dressage journeys, while also supporting those pursuing more advanced goals. In addition to high-quality riding instruction, Kundrun TEAM Program clinics include lectures and discussions on horse health, stable management, rider fitness, sportsmanship, leadership, and more.

Especially important to the Kundruns is their deep love for the sport and for the horses themselves. They believe strongly that success in dressage must always be grounded in compassionate horsemanship, with careful attention paid to the physical and emotional wellbeing of the horse. Their support reflects a commitment not only to athletic achievement, but also to developing riders who prioritize horse welfare – values that closely align with Dressage4Kids.

*Claudine shares: “Fritz and I are proud to support D4K. It is a truly unique and exceptional program. Not only do students learn to be excellent horsemen but also fine, well-rounded human beings that anyone would be glad to have on their team. We cannot emphasize enough the importance of D4K for the future of the sport.”*
